- \$1,299.00 MSRP

Ford Racing Formula Ford 1.6L Kent Block

Ford Racing announces the return of the 1.6L Kent block, purpose built for Formula Ford racing world-wide. Using modern engineering and casting techniques, Ford Racing has improved the in-line 4 cylinder block in areas where the original exhibited weaknesses.

The new block is SCCA approved and available through any Ford Racing Performance Parts dealer at a suggested retail price of \$1,299.00.
