## NEWSLETTER

Hi Folks

Now the weather's "improving" plans are underway for a barbecue in the near future. Aiming at May as thought April may be still a bit too wet and windy. Instead for the next meeting in April thought perhaps a pie, curry, fish and chip night might go down well, so don't forget to put your order in. All Lotus enthusiasts and families welcome. Pay on the Night but you must book as need numbers.

Have received a number of emails inviting us as a club to various events, notably an invite from the independent Porsche club to attend their show at Hatton Country World nr Warwick. It is a family event on June 5th to which all Lotus will definitely be welcome. And its free. Put your name down if you would like to go. It unfortunately does clash with the Stony Stratford Car Rally on the same date which was brilliant last year, based in the centre of Milton Keynes area. Again we have been re invited to attend so a choice has to be made. Nothing like being in demand.. Check out this event at [www.sccf.co.uk](http://www.sccf.co.uk)

Issue 35

2nd March 2011

6th March

International Triumph  
Show Stoneleigh

27th March

International Jaguar  
Spares Day

Stoneleigh

24/25th April

Weston Park Transport  
Show

29/30th May

Ragley Hall Classic Car &  
Transport Show

This is usually organized  
by Barbara & Arthur  
Clarke for LDC and we  
join forces. However see  
Donington Park events  
and they are holding a  
Classic Car Rally the  
same weekend

# CLUB LOTUS

The outer bracket is a perfect fit. However the centre light bracket needs additional holes drilling to make fit for the S3's These also have a sprung screw which makes for easier headlamp adjusting.

So if you have wobbly headlights I suggest you check where the brackets are attached to the headlamp pods. Allow a couple of days to complete a job like this though could be done in a day if you have all the parts at the ready.

Our thanks to Darrin Alkr for this interesting article
