## Autodrome Linas-Montlhéry

For the first time ever, Club Lotus France is organising a major meeting for Lotuses, Caterhams and derivatives on the **AUTODROME de LINAS-MONTLHERY** (the famous and very historic Montlhéry Race Track, just south of Paris).

The day, open to classics cars but also to moderns, will include track time, demonstrations, displays and a concours, all in a friendly atmosphere.

On this occasion, we'll be celebrating the 50th birthday of the Elan, true Lotus icon, and unbeaten at Montlhéry.

This is a "not to be missed" event, open to all members of Club Lotus France but also, and especially, to all those who love Lotus. The organising team is pulling out all the stops to ensure the success of this day, and we are counting on your taking part - in a Lotus, of course!
