<b>More Information</b>			

November 21 1972 this Lotus Elan Sprint Coupe was delivered to our Lotus dealership in Waterloo, Iowa. List price: \$6,247

Added to the car upon arrival:

- 4 Dunlop Formula 70 SP Sport radial tires 175-70-HR 13
- One pair Coco floor mats
- One set Maserati air horns
- One Audiovox AM/FM radio
- One pair Lucas headlamp conversions
- 4 factory Lotus 3-eared knock-offs
- One MG Mitten car cover

Over the next 18 months and 5753 miles, the car was used as a "demo" by one of the owners of the dealership. The car now has 5867 miles. It has never been sold at retail and is still on th original MSO.

Carefully stored away until 2007, this car was refreshed by a factory-trained Lotus mechanic.

The seats, floor mats, and tires are all originals fitted to the car almost 40 years ago. The mileage is 100% correct and original. All documents, original parts, extra keys, owner's manual etc are with the car. The original window sticker and the manufacturer's statement of original to a motor vehicle are complete and are included. The sunroof is factory original . The sunroof not an add on but factory original.

This car is like a member of our family and while it is perfect to me, like any old car there are some "character" issues...

1. The dash is original and has some cracks. Some of the switches are faded. Everything works, but they have lost their original color.
- 2.The paint is original and excellent (for a Lotus). The fiberglass again is excellent (again, for a Lotus).
3. In 2007 I had the Lotus mechanic upgrade the car in a few areas...
  - The rubber brake lines were replaced with steel-braided lines for safety.
  - The original cast-iron exhaust manifold and the complete exhaust system was replaced - I still have these parts (see pics) - with a special header and a coated exhaust system.

This is a true investment-grade automobile. It will put a smile on your face when you drive and draw a crowd when you park it.

Terms and Conditions: Payment will be accepted by wire transfer, bank check or personal check (delivery upon cleared funds.)

Completion of remainder of transaction is expected within 7 days from the close of auction, either in person at the time of inspection and pick-up, or if you are unable to view the car the balance must be wire-transferred before the car is released to be shipped. Car is sold as is.

All shipping arrangements and applicable costs incurred are done so at the buyers expense.
