

# LOTUS ELAN

## *'special equipment'*

Introducing a new high-performance version of the incomparable Lotus Elan. Based on experience gained from the Racing Elan and the Rally prototype this car retains the tractability and comfort of the "Coupe" and "Convertible" models but provides even greater performance and roadholding.

The exciting specification includes the following:-

- ENGINE : 115 b.h.p. high-lift cam version of the Lotus 1558 c.c. twin cam unit. Modified carburettors, new chokes and jets, four branch exhaust.
- TRANSMISSION : Rear axle ratio now 3.55:1 (optional 3.77) mated to Lotus Ford semi close-ratio gearbox giving 1st 40 mph, 2nd 60 mph, 3rd 85 mph, 4th 120 mph. Acceleration 0-60 6.8 secs.
- CHASSIS : Standard fitments are servo assisted brakes for improved high speed braking, Lotus knock-on wheels with chrome trims, Dunlop SP.41 tyres, revised rear shock absorbers for improved high speed handling.
- INTERIOR : Inertia reel safety belts, pile carpets, anti-dazzle rear view mirror. Leather covered steering wheel.
- BODYWORK : New exterior trim includes an optional stripe over the centre of the body, chrome strips along the sides, "Special Equipment" motifs and the word LOTUS spaced across the tail in chrome letters. Repeater flasher units are fitted on each side.
